ODYSSEY

Fancher

ODYSSEY, a new Renaissance collection by Fancher, offers dining room, living room and bedroom pieces in beautiful walnut veneers. Designed by Irving Sabo, Odyssey embodies a theme of gracefully carved doors on the major pieces while the smaller cases are enhanced with more subtly carved detail. This handsome collection is available in two walnut finishes or an assortment of beautiful paint finishes.

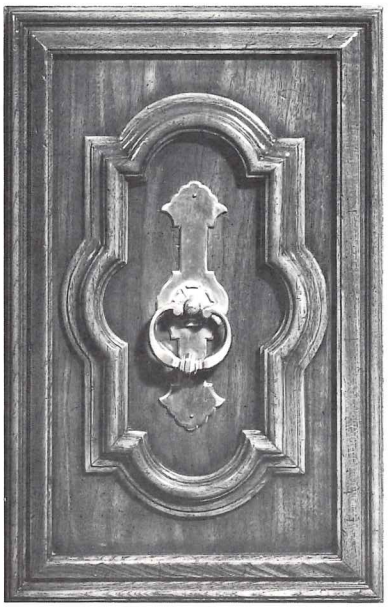
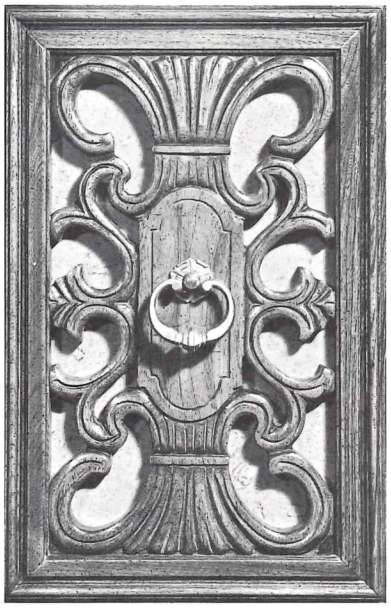
ODYSSEY





Massive and handsomely scaled, the hand pulls are an important design motif in Odyssey. Extremely versatile, Odyssey offers optional doors and reversible panels with gold foil or touches of paint behind the carved fretwork thereby fulfilling every decorating need.
